## Fine Art and Photographic Career Highlights

- 44 years experience learning the craft of photography, 10 years of this as a professional fine art photographer, winning my first international award for fine art with my image, "Awakening" from an entrance base of over 100,000.
- I have over 45 years experience in tourism, hospitality and sales sectors.
- Extensive national public speaking experience in the corporate sectors of sales, tourism and IT.
- Professional coverage and publication of the 2011 Eden Tigers first grade rugby league (div 16) season including the grand final win.
- A Day in the Life of the NSW Port Authority (Eden) documentary and publication in the official NSW Port Authority's publication.
- Aerial photographic journal for renovated Marine Rescue Eden.
- Sold 47 fine art images to clients across the east coast of Australia.
- I have run 45 private photography workshops / tours with clients from across the Bega Valley region, more broadly from other states across Australia and multiple clients from the USA, Germany, Holland, Asia, and India.
- Launched my first fine art gallery display at Wheelers Seafood Restaurant in 2019.
- Coverage of community events, creating over 700 images for the Eden Whale Festival since 2013.
- Officially launched my "Beaches of Eden Photography Tours" in 2018.
- Accredited New South Wales National Parks Eco Pass tour operator.
- Achieved my National Civil Aviation Authority (CASA) Remote Pilots License (RePL) for the operation of Remote Piloted Aircraft (RPA) in 2020.
- Since 2015 I have been commissioned for commercial photography for various businesses in Eden including:-
  - 1) Created new content and published fine art images of Eden and her surrounds for the Garden of Eden Caravan park Eden NSW;
  - 2) Created video and fine art images for Boydtown Beach Caravan Park Boydtown NSW;
  - 3) Created the entire portfolio of the Sea Horse Inn renovated hotel complex;
  - 4) Extensive commercial engagements creating unique fine art images for the real estate industry, including an architectural national award for housing for the disabled;
  - 5) Provided 18 fine art monochrome images for the exclusive display within the renovated Sea Horse Inn. This included creation of the art and the project management for the printing and framing to a required project schedule;
  - 6) Created the visual story for the launch of local Eden business "Great Southern Trike Tours".
