DULCIE'S COTTAGE Merimbula

Dulcie's Cottage is an original weatherboard cottage in Merimbula, built in 1925 by Arthur and Dulcie Goodsill. They raised their family of 10 in this sweet little cottage and called it home. The cottage has been reimaged into a watering hole that serves cocktails and craft beers from behind a long bar surrounded by taxidermy and bric a brac. In the beer garden we serve a concise menu of delicious burgers, local oysters and tasty fries.
